PERSONALISE YOUR ENGLISH LEARNING PATHWAY

General English

Business English

IELTS Preparation

www.britishcouncilfoundation.id

General English

To be a citizen of the world, you need to...

- **Enrich your English vocabulary** so that you can speak about various topics; from personal experience, current affairs to arts and cultures
- **Understand English grammar** to help express yourself clearly
- **Practice pronunciation** so that what you say can be easily understood

Examples of topics:

Active daily conversations

Listening and engaging in stories, Emotion and feelings, Avoiding 'dead air'

Communicate confidently in public

Casual conversation, Daily conversation, The art of networking

Expand your vocabulary from various topics that are applicable in daily life

Lifestyle across culture, Describing the world around us

Express ideas, suggestions, and stories

Can I give you some advice?, The skill of storytelling

I chose the British Council to study English with because I wanted to get the best teaching quality

Ivan - Entrepreneur

Business English

To be a world-class professional, you need to...

- **Enrich your English vocabulary** in the work environment
- **Practice communication skills** in work situations that you can apply immediately
- **Acquire soft skills** to help you become more competitive in the workplace

Examples of topics:

Communicate with confidence in meetings, presentations, and seminars

Effective negotiation, Opinions in meetings, Presenting an action plan

Compose formal letters and e-mails

Responding to a complaint, Writing a complaint, Writing about a process

Present ideas effectively and confidently

Presenting a project, Presenting opinion, Presenting information formally

Build your career

Applying for a job, Interview experience, Finding the right career, Job review

The learning methods in myClass, and interactive instructors encouraged me to be more confident in using English

Wahyu - Head of Training and Recruitment in an insurance company

IELTS Preparation

To be a top university graduate, you need to...

- **Enrich your English vocabulary, grammar, and pronunciation** to enable you to speak about various topics commonly asked in the IELTS test
